subtle - Bug #122

client.views reported incorrectly in HookClientCreate

12/13/2009 06:59 PM - Jonathan Dahan

Status:	Fixed		**Start date:**	12/13/2009
Priority:	Urgent		**Due date:**	
Assignee:	Christoph Kappel		**% Done:**	0%
Category:	Bugfix		**Estimated time:**	2.00 hours
Target version:				

Description

ruby 1.9.1p376 (2009-12-07 revision 26041) [x86_64-linux]

:HookClientCreate => lambda { |c| puts c.views }

That hook always lists every view, instead of just the views that the client is on.

History

#1 - 12/13/2009 07:08 PM - Jonathan Dahan

```
:HookClientConfigure => lambda { |c| puts c.views }
```

Exhibits the same behavior. This has also been confirmed by robgleeson.

#2 - 12/14/2009 05:14 PM - Christoph Kappel

Fixed in [r1655](#).

#3 - 12/14/2009 05:14 PM - Christoph Kappel

- *Status changed from Unconfirmed to Fixed*
