

subtle - Feature #161

Add icons directly to a panel

12/19/2010 02:30 AM - Dominikh Honnef

Status:	Fixed	Start date:	12/19/2010
Priority:	Urgent	Due date:	
Assignee:		% Done:	100%

Target version:			
Description			
I'd like to add icons directly to a panel, without having to use sublets. Those icons would only serve the purpose of eye-candy and I think that having to have extra sublets for those is a bit unfortunate, especially when dealing with more than 1-2 icons.			
Any thoughts on this?
