

subtle - Bug #306

Clock sublet stops refreshing (randomly?)

10/24/2012 07:49 PM - Rasmus Steinke

Status:	Rejected	Start date:	10/24/2012
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Every now and the time in clock sublet is very far behind real time, sometimes a whole hour or more. reloading subtle fixes it, but it still is annoying. 'date' command in a terminal shows the proper time tho.
