

subtle - Feature #314

Allow queue access from subtext

04/18/2013 04:32 PM - Kaito Michishige

Status:	Unconfirmed	Start date:	04/18/2013
Priority:	Urgent	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
To allow for tagging of the next spawned client via command line, we'd need to be able to push a tag to the queue from subtler.
